

Harvey County **COMMUNITY RESOURCE DIRECTORY**

A guide to Harvey County's
Service Agencies

Prepared by:

Communities In Schools of Harvey County
316-284-6520

This directory contains listings of many social, health, support, educational and employment services in Harvey County, Kansas.

The agencies and organizations are listed in alphabetical order in the directory. The table of contents lists the agencies in order by category. The index at the back of the directory includes topic headings of services and a reference to the agency's name and page number.

The directory was compiled by Communities In Schools of Harvey County/CIS to coordinate the health and human services of Harvey County to meet the needs of our families. The organization does not assume responsibility for omissions nor for the accuracy of the information offered in this directory.

Publication of this directory is provided through the generous funding of USD 373, FYI Networks, and Health Ministries Clinic.

For further information, contact Communities In Schools of Harvey County, Inc. at 316-284-6520 or john@cisharvey.org.

The directory is also available online at www.cisharveyco.org which will reflect updates since the publication of this booklet.

Gratitude is extended to Jessica Larez for assistance in confirming listings.
